

## **1nService Members Win Big at Cisco Partner Summit**

**Bellevue, WA** – 1nService, the leading network of advanced technology integrators with aggregate sales in excess of \$1.5 billion, is pleased to announce that eight member companies won awards at the recent Cisco Partner Summit held in San Francisco, CA.

During the Global Awards Reception, Cisco recognized the success of their global partners and highlighted some of the special achievements of their top performers. Each of their theatres honored a partner within its geographic region. In addition, partners were awarded for their outstanding performance.

The following are 1nService members who won awards:

Adcap Network Systems: Break Away Partner of the Year; United States Regional, South

BlueWater Communications Group: Capital Partner of the Year; United State Regional, East  
SLED Partner of the Year; United State Regional, East

Confiance IP Solutions: Services Partner of the Year; United States Regional, South

General Datatech: Enterprise Partner of the Year – United States Regional, South

ITS InfoCom: Technology Excellence Partner of the Year - Collaboration – Emerging Markets (West, CANSAC)

Long View Systems: Collaboration Partner of the Year – Canada  
Data Centre/Virtualization Partner of the Year – Canada

Quest: Services Partner of the Year – United States Regional, West

Unis Lumin: Solution Innovation Partner of the Year - Canada

### **About 1nService**

1nService is the leading international community of advanced technology integrators that through collaboration and partnership, delivers high-value technology systems and solutions that solve businesses most pressing needs. The 1nService community's \$1.5 billion combined global sales, offers great leverage in applying the collective skills of members to deliver any technology, anywhere, anytime. 1nService members receive tremendous access to new customers, markets, sales opportunities, and collaborate through best practice sharing.
