

Six Members Earn Spot on 2010 VAR Top 500 List

Bellevue, WA – 1nService, the leading network of advanced technology integrators with aggregate sales in excess of \$1.5 billion, announces six member companies have earned a place on Channel Web's 2010 VAR Top 500 List.

The 2010 VAR 500 list consists of the top solution provider organizations in North America, ranked by total revenue in 2009. The following 1nService member companies made the list:

Atrion Networking Corporation - #410

BlueWater Communications Group - #268

General Datatech - #235

Long View Systems - #219

Quest - #285

Transcend United Technologies - #455

"1nService congratulates these Members and for this great industry recognition. We are proud to have these and other cutting edge companies in our community." stated Jo Miller, Executive Director of Partner Relations.

About 1nService

1nService is the leading international community of advanced technology integrators that through collaboration and partnership, delivers high-value technology systems and solutions that solve businesses most pressing needs. The 1nService community's \$1.5 billion combined global sales, offers great leverage in applying the collective skills of members to deliver any technology, anywhere, anytime. 1nService members receive tremendous access to new customers, markets, sales opportunities, and collaborate through best practice sharing. The collective strength of 1nService allows its members to compete against the largest integrators. 1nService is the community leading the next generation of technology delivery and service.
